

Guaranteed Technical Particular

Item No.	Description	Unit	Specification
1	Pad(without holes) to Twin Conductor Horizontal Type Terminal Clamp Maker Country of Origin Material Fastener Pad Size Conductor Size Spacing	 mm mm ² mm	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel 100mm x 100mm 400 mm ² 100 mm
2	Pad(without holes) to Twin Conductor Vertical Type Terminal Clamp Maker Country of Origin Material Fastener Pad Size Conductor Size Spacing	 mm mm ² mm	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel 100mm x 100mm 400 mm ² 100 mm
3	Sliver Plated Copper Stud to Twin Conductor Horizontal Type Terminal Clamp Maker Country of Origin Material Fastener Stud Size Conductor Size Spacing	 mm mm ² mm	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel Ø30 mm x 80 mm length 400 mm ² 100 mm
4	Sliver Plated Copper Stud to Twin Conductor Vertical Type Terminal Clamp Maker Country of Origin	 	To State Thailand, India, China

Item No.	Description	Unit	Specification
	Material Fastener Stud Size Conductor Size Spacing	 mm mm ² mm	Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel Ø30 mm x 80 mm length 400 mm ² 100 mm
5	Tee Clamp for ACSR 605MCM to AAC 795MCM Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
6	Tee Clamp for AAC 795MCM to AAC 795MCM Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
7	200 mm Spacer Clamp for AAC 795MCM Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
8	100 mm Spacer Clamp for AAC 795MCM Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
9	PG Clamp for AAC 795MCM Maker Country of Origin		To State Thailand, India, China

Item No.	Description	Unit	Specification
	Material Fastener		Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
10	Pad(without holes) to Single Conductor Horizontal Type Terminal Clamp Maker Country of Origin Material Fastener Pad Size Conductor Size	mm mm ²	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel 100mm x 100mm 400 mm ²
11	Pad(without holes) to Single Conductor Vertical Type Terminal Clamp Maker Country of Origin Material Fastener Pad Size Conductor Size	mm mm ²	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel 100mm x 100mm 400 mm ²
12	Sliver Plated Copper Stud to Single Conductor Horizontal Type Terminal Clamp Maker Country of Origin Material Fastener Stud Size Conductor Size	Nos mm mm ²	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel Ø30 mm x 80 mm length 400 mm ²
13	Sliver Plated Copper Stud to Single Conductor Vertical Type Terminal Clamp Maker Country of Origin		To State Thailand, India, China

Item No.	Description	Unit	Specification
	Material Fastener Stud Size Conductor Size	 mm mm ²	Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel Ø30 mm x 80 mm length 400 mm ²
14	Twin to Single Tee Clamp for ACSR 605MCM to AAC 795MCM Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
15	Twin to Single Tee Clamp for AAC 795MCM to AAC 795MCM Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
16	Pad(without holes) to Twin Conductor Horizontal Type Terminal Clamp Maker Country of Origin Material Fastener Pad Size Conductor Size Spacing	 mm mm ² mm	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel 100mm x 100mm 630 mm ² 100 mm
17	Pad(without holes) to Twin Conductor Vertical Type Terminal Clamp Maker Country of Origin Material		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100

Item No.	Description	Unit	Specification
	Fastener Pad Size Conductor Size Spacing	 mm mm ² mm	Galvanized Mild Steel (or) Stainless Steel 100mm x 100mm 630 mm ² 100 mm
18	Sliver Plated Copper Stud to Twin Conductor Horizontal Type Terminal Clamp Maker Country of Origin Material Fastener Pad Size Conductor Size Spacing	 mm mm ² mm	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel Ø30 mm x 80 mm length 630 mm ² 100 mm
19	Sliver Plated Copper Stud to Twin Conductor Vertical Type Terminal Clamp Maker Country of Origin Material Fastener Pad Size Conductor Size Spacing	 mm mm ² mm	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel Ø30 mm x 80 mm length 630 mm ² 100 mm
20	Tee Clamp for ACSR 795MCM to AAC 630mm ² Maker Country of Origin Material Fastener	 	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
21	Tee Clamp for AAC 630mm ² to AAC 630mm ² Maker Country of Origin Material	 	To State Thailand, India, China Aluminium Alloy Grade ENAB 44100

Item No.	Description	Unit	Specification
	Fastener		Galvanized Mild Steel (or) Stainless Steel
22	200 mm Spacer Clamp for AAC 630mm ² Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
23	100 mm Spacer Clamp for AAC 630mm ² Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
24	PG Clamp for AAC 630mm ² Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel
25	Twin Bundle tension string insulator assembly, clamps, hardware fittings, Maker Country of Origin Material Fastener		To State Thailand, India, China Aluminium Alloy Grade ENAB 44100 Galvanized Mild Steel (or) Stainless Steel

Remark : All clamps must be Bolted Type.
